

Look no Further

[Verse 1]

| G D/F# |
I might have been a singer
Em
Who sailed around the world?
| G D/F# |
A gambler who wins millions
Em
And spent it all on girls
| Am7 Am7b5 |
I might have been a poet
D7
Who walked upon the moon?
| Am7 Am7b5 |
A scientist who would tell the world
D7
I discovered something new

[Verse 2]

| G D/F# |
I might have loved a king
Em
Been the one to end a war
| G D/F# |
A criminal who drink Champaign
Em
And never could be caught
| Am7 Am7b5 |
But among your books
D7
Among your clothes
| Am7 Am7b5 |
Among the noise and fuss
D7
I've let it go

[Chorus]

| Em C | G D/F# |
I can't stop and catch my breath
| Em C | G D/F# |
And Look No further for happiness
| Em C | G D/F# |
And I will not turn again
| Em C | G
'Cause my heart has found its home

[Verse3]

| G D/F# |
Everyone I'll never meet
Em
And friends I won't now make
| G D/F# |
The adventures that they could have been
Em
And the risks I'll never take
| Am7 Am7b5 |
But Among Your Books
D7
Among your clothes
| Am7 Am7b5 |
Among the noise and fuss
D7
I've let it go

[Chorus]

| Em C | G D/F# |
I can't stop and catch my breath
| Em C | G D/F# |
And Look No further for happiness
| Em C | G D/F# |
And I will not turn again
| Em C | G
'Cause my heart has found its home

| Em C | G
